# Perth City Locality

**Date:** 03 July 2024

**Information for CCATS Patients**

**Accessing Drumhar Health Centre**

The way in which you will access the Community Care & Treatment Service (CCATS) will be changing over the coming weeks as the service is moving to a city centre location within Drumhar Health Centre. Our new address is Drumhar Health Centre, Drumhar Court, Perth, PH1 5PD.

Thank you for your patience as we all get used to the new site in Drumhar. We hope the information below is useful in helping you plan how you travel to your appointment.

- Parking within the health centre car park is limited due to available space. We would encourage patients to access local public transport where possible. There are 2/3 accessible parking bays at the front of the health centre which may be available for use.

- Public Transport links to the health centre are available and local timetables based on your location are in place – please visit this useful page for information. Local bus timetables - Perth & Kinross Council (pkc.gov.uk)

  https://www.pkc.gov.uk/bustimetables

- Park and Ride options are also available into Perth city centre and can be found by following this link Perth Park&Ride (Broxden) - Perth & Kinross Council (pkc.gov.uk)

  https://www.pkc.gov.uk/article/14972/Perth-Park-Ride-Broxden-

- Free parking spaces exclusively for the use of blue badge holders are provided on various nearby city centre streets and in most Council operated car parks.

  Blue badge holders are permitted to park in any Council controlled on or off-street parking bay free of charge.

  Blue badge holders may also park at other on-street locations subject to the normal conditions of use of their badges.

  View the Blue Badge Scheme (Disabled person's parking badge) page for more information.

  https://www.pkc.gov.uk/bluebadgescheme

- Please be aware that the car park across the road from Drumhar, signed Mindspace, is a private car park and is not available for use

**Perth PH1 5PH**

- If you are being dropped off at your appointment, there is no drop off zone within Drumhar Health Centre and we encourage cars not to wait in the Drumhar car park as this can cause congestion and block cars in.

- There is Perth and Kinross Council on street parking close by in North Methven Street and a larger car park in Thimblerow which is a short walk from Drumhar Health Centre. Information on parking within Perth City can be found here: Parking in Perth City Centre - Perth & Kinross Council (pkc.gov.uk) .

  https://www.pkc.gov.uk/cityparking

- There is additional community transport information that may be useful on the Perth and Kinross Community website: Community transport - Perth & Kinross Council (pkc.gov.uk)
